Assistant Commissioner for Patents Washington, D.C. 20231

SIR:

INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith an Information Disclosure Statement under 37 C.F.R. §1.56 and §1.97(b)(3).

In accordance with the duty of disclosure under 37 C.F.R. §1.56, applicant directs the Examiner's attention to the following disclosures, which are listed on Form PTO-1449 (Exhibit A):

- 1. Bakhshi, A., Jensen, J.P., Goldman, P., Wright, J.J., McBride, O.W., Epstein, A.L., and Korsmeyer, S.J. (1985) "Cloning the Chromosomal Breakpoint of t(14;18) Human Lymphomas: Clustering Around $J_{\mbox{\scriptsize H}}$ on Chromosome 14 and Near a Transcriptional Unit on 18 <u>Cell</u> **41(3)**:889-906.
- 2. Bhatia et al., (1995) "Mutations in the Coding Region of c-myc

- 34. Zhang, X-G., et al., (1994) "Reproducible Obtaining of Human Myeloma Cell Lines as a Model for Tumor Stem Cell Study in Human Multiple Myeloma", <u>Blood</u> 83(12):3654-3663.

The subject application is a is a continuation of U.S. Serial No. 08/654,482, filed May 28, 1996, now allowed.

Copies of the documents listed as publications 1, 3-4, 6-14, 16-

18, 20 and 22-34 were submitted previously to the U.S. Patent and Trademark Office in connection with application U.S. Serial No. 08/654,482, filed on May 28, 1998. Publications 5 and 17 were cited by the Examiner in connection with U.S. Serial No. 08/654,482. Publications 2, 5, 15, 17, 19, 21, and 27 were cited in the International Search Report for PCT International Application No. PCT/US97/09065, filed May 28, 1997, which claims priority of and is a continuation-in-part of U.S. Serial No. 08/654,482. Thus pursuant to 37 C.F.R. §1.98(d), since the subject application claims the benefit of U.S. Serial No. 08/654,482 under 35 U.S.C. §120, copies of the above-listed publications, 1, 3-14, 16-18, 20 and 22-34 are not required to be submitted herewith. A copy of publications 2, 15, 19, and 21 is attached hereto as Exhibits 1-4, respectively. A copy of the International Search Report for PCT/US97/09065, is attached as Exhibit 5.

Applicant requests that the Examiner review the publications and make them of record in the subject application.

If a telephone conference would be of assistance in advancing the prosecution of the subject application, applicant's undersigned attorney invites the Examiner to telephone him at the number provide below.

No fee is deemed necessary in connection with the filing of this Information Disclosure Statement. However, if any additional fee is required, authorization is hereby given to charge the amount of such fee to Deposit Account No. 03-3125.

Respectfully submitted,

I hereby certify that this correspondence is being deposited this date with the U.S. Postal Service with sufficient postage as first class mail in an envelope addressed to: Assistant Commissioner for Patents Washington, D.C. 20231
